دور ج ادوار role

شرق ، غرب East/ west

نساء-women

الماضي =/= الحاضر ، معاصر

تجربة ج تجارب =experience

مجال ج ات -fields

مشاركة - Participation

Tranlsate and ask:

Do women in the East and Women in the west play different roles?

Do women play a different role in modern society than they played in the past?

Are the experiences of a woman in the middle east different from the experience of women in the west?

In what fields must we increase women's participation?
